**Job Title: Civil Engineer (2 Positions)**

**Location: Natai Plaza, 2<sup>nd</sup> Floor, Coca Cola Road, Mwenge, Dar Es Salaam**

**Company: SJP COMPANY LIMITED**

**Job Type: Full-Time**

**About Us:** SJP Company Limited is a leading firm in the construction and engineering sector, dedicated to delivering innovative and sustainable solutions for our clients. We pride ourselves on our commitment to excellence and are seeking experienced Civil Engineers to join our dynamic team.

**Position Overview:** We are looking for two (2) skilled Civil Engineers with over 7 years of experience in civil and building engineering. The ideal candidates will possess a strong understanding of design principles, project management, and the ability to work collaboratively within a team environment.

**Key Responsibilities:**

Design and oversee construction projects, ensuring compliance with all regulations and standards.

Conduct site assessments and feasibility studies.

Prepare and review engineering drawings, plans, and specifications.

Collaborate with architects, contractors, and other stakeholders.

Manage project timelines, budgets, and resources effectively.

Provide technical guidance and support to junior engineers and interns.

Stay updated on industry trends and advancements in civil engineering.

**Qualifications:**

Bachelor's Degree in Civil Engineering or a related field.

Minimum of 7 years of experience in civil and building engineering.

Proficient in engineering software (e.g., AutoCAD, Civil 3D, etc.).

Strong analytical and problem-solving skills.

Excellent communication and interpersonal abilities.

Professional Engineering (PE) license is a plus.
